

INDIAN SOCIETY OF ENGINEERING GEOLOGY (ISEG)
(Indian National Group of IAEG)

CIRCULAR

Dated: 12.07.2016

Indian Society of Engineering Geology (ISEG) is bringing out December 2015 issue of the Journal of Engineering Geology. It is being published as Special Supplementary Issue of Conference Proceeding for EGNM-2015. The final processing is under progress and within two weeks the journal shall be sent to press for printing. All authors whose full papers were accepted for EGNM-2015 but due to some reason could not be published in Conference proceeding volume are requested to intimate details of such papers or send a copy again.

The last date for accepting the request is July 25th 2016. Please submit your papers to iseg2015@gmail.com before the date mentioned above for urgent processing.
