

Disclaimer

The Indian Society of Engineering Geology – ISEG created and maintains this website in order to facilitate the exchange of information:

- to inform the technical community on the activities of the Society and on related fields;
- to make available to ISEG members specific information and services;
- to stimulate electronic discussion on technical issues in the field of Engineering Geology.

However, ISEG accepts no responsibility or liability with regard to the material on the website. This material:

- is information of a general nature only, which is not intended to address the specific circumstances of any particular individual or entity;
- is not necessarily comprehensive, complete, accurate or up to date;
- is sometimes linked to external sites over which ISEG services have no control and for which ISEG assumes no responsibility;
- may not be ISEG position, specially in the use of discussion forums;
- is not professional or legal advice.

No responsibility is assumed by the ISEG for any injury and/or damage to persons or property from any use or operation of any methods, products, instructions or ideas contained on this website.
