CIRCULAR

During the second meeting of ISEG Executive Council held on 2nd July, 2016, it was decided to develop a database of experts from the existing ISEG members having expertise in Engineering Geology, Geophysics, Rock Engineering, Geotechnical Engineering, Water Resources Engineering, Environmental Science and Engineering, Mining Engineering and Civil Engineering for taking up consultancy services on behalf of ISEG. Accordingly, Brief CV's (within 500 words) are invited from the experienced professionals of the above fields who are willing to contribute to the fraternity of engineering geology and allied fields. The interested professionals are requested to send their CVs (mentioning their area of specialization) along with recent passport size photograph, age proof certificate and professional qualification certificate in the following address and also through e-mail at isegsecretariat2016@gmail.com/india.seg@gmail.com on or before 31st August, 2016.

The Secretary

Indian Society of Engineering Geology (ISEG)
C/o General Manager (Geo-Tech)
Engg. Geology Division, NHPC Ltd, Sector 33,
Faridabad-121003, Haryana, India

It may be noted that this is not a commercial activity rather an effort by the Society to pool expertise available in the fields of Engineering Geology and Geotechniques. Only a nominal percentage of fees shall be charged by the Society to cater to administrative expenses.

The Society will not be responsible for any legal issue arising out of the works by experts/professionals.

The detailed terms and conditions for the consultancy services shall be intimated separately.

Imran Sayeed
Secretary, ISEG
