Subject: Request for taking up IAEG Membership for 2018

Sir/ Madam,

Indian Society of Engineering Geology (ISEG) is proud for having an intimate relationship, being the India National Group (NG) of the relevant international body of engineering geologists – International Association for Engineering Geology and the Environment (IAEG). With active supports of 132 ISEG members taking the IAEG membership last year (2017), our bonding with IAEG becomes much stronger, which gave us the right opportunity to represent the Indian engineering geology professionals in a more visible manner at the global platform. It is also a matter of great pride that Vice Presidency for Asia of IAEG for the current term (2015-2018) is with India NG and our interests are being well prompted as a long term measure. Such recent interactions and active presence in large numbers in IAEG, being an international body, duly recognized by the International Union of Geological Sciences (IUGS), not only alleviates ISEG's aspirations but also opens up new vista to our young professionals for better interactions and exchanges of knowledge with the global experts in relevant domain. Another recent example of our such cooperative endeavour with IAEG is sponsoring of one of our young talented members for a competitive scientific event of IAEG held recently at Kathmandu, Nepal, where the ISEG-nominee also brought laurels for India as young engineering geologist.

With the above background, we from the Secretariat of ISEG therefore expresses our sincere commitment in maintaining the strength of relationships with IAEG by promoting more number of memberships for IAEG in 2018 too to maintain the strong Indian participation in this international professional organisation, which is prerequisite for the greater visibility and growth of ISEG. May I therefore, request each of our esteemed members of ISEG to solicit their consent to become the annual member of IAEG for the year 2018 (“with bulletin” – EURO 29.00/ INR 2370.00 or “without bulletin” – EURO 4.00/ INR 370.00) at the earliest. The INR value also includes a handling charge of INR 50.00).

An early consent from you regarding taking IAEG annual membership for 2018, mailed to india.seg@gmail.com preferably by February 15, 2018 would be highly solicited in this regard. In your consent kindly indicate “with bulletin” or “without bulletin” including your current postal address, mobile number and e-mail id. After getting your consent, we will send you the relevant invoice separately for making payment of IAEG Membership Fees for 2018 in INR, which may directly be deposited to our ISEG bank account directly through NEFT.
